Dear Parents/Carers

Year 10 Parents' Evening – Thursday 25 November 2021 - Online Appointment Booking

I would like to invite you to attend our Parents' Evening on Thursday 25 November. This is an important evening and provides you with an opportunity to speak with teachers to get an update on your child's progress this year.

We introduced a new, intuitive and easy to use online appointment booking system last academic year. This allows you to choose your own appointment times with teachers and you will then receive an email confirming your appointments, which will take place by video link. Many of you used this system in June and we received very positive feedback from parents and staff alike.

Appointments can be made from 4pm on Tuesday 16 November and will close on Wednesday 24 November at 4pm. Should you wish to make any changes after this date please contact the school via the website.

Please visit <https://harrytown.schoolcloud.co.uk/> to book your appointments. (A short guide on how to add appointments is included with this letter.) You must login with the following information:

Student's First Name:

Student's Surname:

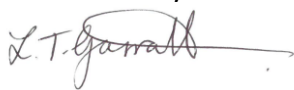

Student's Date of Birth:

If you cannot access this and need any help, please contact me via the school website contact form [here](#).

Please note: Members of staff may wish to make appointments with you if they think there is a specific need to see you. Each appointment lasts for a maximum of four minutes with a gap of 1 minute between appointments. Should you need more time please make an arrangement with the appropriate member of staff to agree a mutually convenient time/method to communicate in further detail.

Thank you for your continued support and for continuing to work with us in supporting your child to achieve their full potential.

Yours sincerely

Mrs L T Garratt

HOW TO ATTEND YOUR APPOINTMENTS

	<p>STEP 1: BEFORE YOU START</p> <p>In order to make video calls you need to have as a minimum:</p> <ul style="list-style-type: none">• a device with a microphone and speaker a compatible web browser:• iPhone/iPad: Safari• Android: Chrome or Firefox• Windows: Chrome, Firefox or Microsoft Edge• Mac: Safari, Chrome or Firefox• Linux: Chrome or Firefox <p>We also recommend: Using your smartphone for video appointments. If you don't have a smartphone with a front-facing camera, use a laptop or computer with a webcam.</p>
	<p>STEP 2: LOG IN AND GO TO THE EVENING</p> <p>On the day of the video appointments click the login link from the bottom of the email confirmation you will have received. Once logged in you will see a notice that you have upcoming video appointments and under this the details of the event, along with a Join Video Appointments button. This will become available 60 minutes before your first appointment.</p>
	<p>STEP 3: THE VIDEO CALL SCREEN</p> <p>When you click Join Video Appointments the video call screen will be displayed. You may at this point be asked if you wish to allow access to your camera/microphone, in which case please click yes.</p> <p>On this screen you can see the following:</p> <ul style="list-style-type: none">• At the top left the teacher name (and subject details) for the current and next appointment• At the top right a countdown to the start of the appointment• At the bottom the controls for the microphone and camera (once a teacher is available or you are in a call these also show a pick up and hang up button)• In the middle, when your appointment is due to start, the Start Appointment button

	<p>STEP 4: MAKING A CALL</p> <p>Click the Start Appointment button. You will see yourself in the bottom right corner of the screen (unless you have no camera or have chosen to turn it off). If the teacher has not yet joined, you will see a notice to that effect in the centre of the screen. When a teacher joins a call, you will see them in the main part of the screen and can start your discussion with them. You will also see the remaining time for the appointment counting down in the blue bar at the top of the screen. If you lose access to the system for some reason during the call, log in again and click Start Appointment on the video call screen. As long as the teacher is still in the call this will let you continue with the appointment (this is the same for the teacher if they lose their access). When the countdown in the blue bar stops the appointment time is over and the call will automatically end. Note that if you or the teacher are late, or leave and re-join the call, it does not reset the timer. The appointment will always end at the scheduled time.</p>
	<p>STEP 5: FOLLOW ON CALLS</p> <p>If you have a consecutive appointment scheduled the screen will display a Start Next Appointment button. When you are ready to proceed, click on it. Note that if you delay starting a call it does not extend the duration for that appointment. The appointment will always end at the scheduled time. If you do not have a consecutive appointment, but you have not completed your final scheduled appointment you will see a countdown telling you how long until the start of your next appointment. Once your final appointment for the evening is complete you will see a message advising you of this.</p>
